Shegaw Engineering PLC

SHEGAW ENGINEERING P.L.C. is a private limited company established in 1992 as a freelance Professional Electrical Engineering Firm in Addis Ababa, Ethiopia. We have provided electro-mechanical and construction services for government, non- government organizations and international companies operating in Ethiopia as well as for private sector companies and clients in Ethiopia.

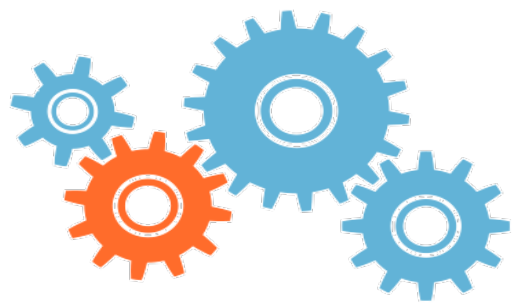

In our core electrical engineering business area, we provide our partners and clients with high quality services and reliable, innovative project implementation solutions which adhere to the recognized international standards.

HUAWEI: **SHEGAW ENGINEERING PLC IS OUR EXCELLENT CORE PARTNER IN ETHIOPIA**

Our Principles reflect the way we deliver value to our clients, the communities in which we work, and to our employees.

Safety is the cornerstone of everything we do. Nothing is more valuable to us than the well-being of our employees, our clients, our contractors and suppliers.

Shegaw Group

Under our Shegaw Group brand we develop and launch associated business and service sector initiatives, including Shine Ethiopia Tours, Shegaw Guest House, Shegaw Café and Shegaw Agriculture. These initiatives deliver customer satisfaction and value while integrating sustainable business practices and striving to seize upon economic opportunities that help reduce poverty in Ethiopia by generating income and employment.

Shine Ethiopia Tours™ is a reliable, growing and ambitious tour operator business based in the capital city of Ethiopia, Addis Ababa. As an inbound tour operator established in 2011 we offer our clients reliable and fairly priced tour packages. **Our Services** include:

- **Hotel and Air Ticket Reservations**, including hotel reservations outside of Ethiopia.
- **Custom Tours** to historical and cultural sites as well as nature and adventure tours.
- **Vehicle Rentals** –comfortable and fully insured vehicles such as mini-buses, 4WD land cruisers or small automobiles, also outside of Addis Ababa, operated by professional drivers.
- **Comprehensive Tour Packages** - currently 23 package tours to choose from.

Shegaw Guest House™

We are exploring possibilities to open a first guest house, in the 'Queen City of the Desert' Dire Dawa, Ethiopia's second largest city.

Shegaw Cafe™

A business plan to open a WiFi-Café in Addis Ababa – the first Shegaw Café – is being developed. The business model will revolve around a synthesis of female entrepreneurship and free online learning, with the longer term goal to replicate the model in other locations by establishing additional Shegaw Cafés.

Shegaw Agriculture™

Currently, **Shegaw Agriculture** is supporting small-scale goat herding/rearing, tef marketing and bee-keeping. In the longer term, ideally by providing facilitation/logistical/project services to NGOs attentive to rural development, **Shegaw Agriculture** intends to function as a trusted 'go-between' to allow for direct ecological sound and sustainable assistance to small-scale farmers to materialize.
